**Harvest of Hope: Bringing the Community Together**

The Harvest of Hope Area Catholic Community undertook a strategic planning process starting Fall, 2023. The Pastoral Council began with a community-wide survey to see what parishioners loved most about their parish and what they hoped for in the future. These hopes became a plan to build a stronger community of intentional disciples of Christ.

Highlights of the past year include the sharing of Sunday Eucharist, creation of Spanish Mass ministry, "Explore Four" Family Faith Formation challenge, Lenten studies on Bishop Neary's Eucharist document, Vine Ministry, Totus Tuus and Castaways Youth Programs, starting a pictorial directory process, launching the That Man is You program, successful and fun parish festivals and meals, and family events such as Trivia and beloved BINGO.

Over 100 participants

Totus Tuus

The Harvest of Hope also came together for the celebration of Father Julius's 60 years of Monastic life. The four parishes choirs sang together, the parishioners planned and served along side each other to make the events special and meaningful.

This ACC continues to find ways to collaborate and strengthen its community of people.
