

Area Catholic Community Planning Council

Our Area Catholic Community (ACC) Planning Council met on Thursday, June 13th. Discussion was focused on COMMUNITY and how we can build relationships within our catholic community, such as;

- Cross promotion and support of each parish's events – reach out with a personal invitation when possible
- Welcoming New Members – once we have welcomed 15 new members, we will combine our directories
- Bring our Pastoral Councils together – plans are underway to schedule a joint meeting by this fall
- Create a common identity and Name

While all parishes will be keeping their current, individual identities, let's work together to create one which represents all the parishes and our combined uniqueness. Do you have any ideas or suggestions for a Name for our Area Catholic Community? We would love to hear them! Submit your suggestions before August 5th in the marked drop box near your church entrance. The individual who submits the chosen ACC name will win **\$100!**

In addition to having your name and phone number listed, the new ACC name will need to meet 3 criteria:

- 1) Distinctive of our community
- 2) Religious Significance
- 3) Creative

Our next ACC council meeting is scheduled for Thursday, July 18^h at 7pm.

The members of your ACC are:
